

**Welcome to Lee's Summit Bible Church!** If you're visiting with us for the first time today, we're glad to have you. Please fill out a visitor's card, which you should find in the pew, and drop it in the offering plate during the service or hand it to one of the pastors as you leave this morning. Help yourself to copies of our doctrinal statement and other material in the entranceway, including the "Welcome To Lee's Summit Bible Church" packet free to all visitors. **The Pastors and Elders of Lee's Summit Bible Church** are committed to the preaching and teaching of God's Word. We conduct an **expository preaching ministry**. What does that mean? Simply, that we preach the Bible verse by verse, explaining and declaring God's Truth in the Biblical context (Nehemiah 8:8). This method helps the listener to get a better grasp on each verse, chapter, and entire books of the Bible. It also demands that the preacher draw out the meaning of each verse (*exegesis*) rather than take a verse or verses out of context to build a message. Our goal is to encourage everyone who attends to be a student of God's Word, studying and applying it to their individual lives to grow in Christ-likeness and Godliness.
